

Groundwater Lunch Hour

Answering questions about implementation of the Sustainable Groundwater Management Act (SGMA) in the Turlock Subbasin

Join Turlock Subbasin groundwater managers for another open house-style gathering. “Stop in” at any time during the hour to ask questions about the Turlock Subbasin Groundwater Sustainability Plan (GSP) and learn about the GSP process, among much more.

April 30, 2021
from 12:30 to 1:30 p.m.
