

**EAST TURLOCK SUBBASIN GROUNDWATER SUSTAINABILITY AGENCY
JOINT POWERS AUTHORITY**

YOU'RE INVITED

Prop 218 Fee/Assessment Workshop

Topics covered will include:

- A description of SGMA and ETSGSA's strategy for compliance to maintain local control and a viable agricultural economy
- Options being considered for a Benefit Assessment to fund GSA operations and projects and management actions needed to achieve long-term groundwater sustainability
- Draft policies that define who would pay, the types of charges, how charges are calculated, and projected rates
- How groundwater allocations will be determined and how groundwater use will be measured
- Next steps and timeline for adoption and implementation
- An open discussion allowing you to ask questions and provide input

SAVE THE DATE

THURSDAY, DEC 14th, 2023

Cortez Hall - Turlock, CA

9:30 am - 11:30 am
