Groundwater Accounting Options and Extraction Fees Workshop

Tuesday, October 18th, 2022
Cortez Hall
12937 North Cortez Avenue
Turlock, CA 95380
9:30 AM

Scan Me!

The East Turlock Subbasin GSA will be hosting a workshop to review groundwater pumping and land use trends using satellite data, discuss options to measure groundwater extraction throughout the GSA, and discuss options for allocation of groundwater pumping and assessment of fees. We welcome your participation and invite your feedback.
