

EAST TURLOCK SUBBASIN GROUNDWATER SUSTAINABILITY AGENCY
JOINT POWERS AUTHORITY

YOU'RE INVITED!

**Pumping Management Framework
& Pilot Program Workshop**

SAVE THE DATE

Tuesday, March 7th, 2023

Cortez Hall - Turlock, CA

9:30 am - 11:30 am

This is your chance to participate in and learn about our pilot program before allocations and fee schedules are determined and applied. Your participation will help us to develop a workable and effective program using the latest scientific data on groundwater pumping.

YOU are the on the ground experts and we want to make sure we are using accurate information, making smart decisions, and listening to your concerns and advice.
