

# Groundwater Lunch Hour

Answering questions about implementation of the Sustainable Groundwater Management Act (SGMA) in the Turlock Subbasin

**March 26, 2021**  
*from 12:30 to 1:30 p.m.*

Join Turlock Subbasin groundwater managers for another open house-style gathering. “Stop in” at any time during the hour to ask questions about the Turlock Subbasin Groundwater Sustainability Plan (GSP) and learn about the GSP process, among much more.
