

VIRTUAL COMMUNITY MEETING

GROUNDWATER SUSTAINABILITY PLANNING

Please join us online for the first in a series of Virtual Community Meetings on Turlock Groundwater Sustainability Plan (GSP) development.

We'll dive into details on the **Water Budget** and **Groundwater Model** for the Turlock Subbasin, and there will be plenty of time for Q&A and interactive discussion with the team working on the GSP.

This is a collaborative effort, and your input is valuable to the process!

WEDNESDAY JULY 8, 2020

Session #1: 11:00 - 12:00 pm [[Link](#)]

Session #2: 5:00 - 6:00 pm [[Link](#)]

The same presentation is given at each session.

Attend the time most convenient for you!

REGISTER

for *interactive participation* via
the links above or at
turlockgroundwater.org

or *live-stream* the discussion that
day from our
[YouTube Channel](#)

If you would like language interpretation or other reasonable accommodation, please email hssmart@tid.org by July 1st to make arrangements to ensure interpretation accessibility.
