

VIRTUAL COMMUNITY MEETING #2 GROUNDWATER SUSTAINABILITY PLAN DEVELOPMENT

WEDNESDAY SEPTEMBER 16, 2020

- Session #1: 11:00 am – noon
- Register for 11:00 am [here](#)
- Session #2: 5:30 – 6:30 pm
- Register for 5:30 pm [here](#)

You can also register by visiting turlockgroundwater.org.

The same presentation is given at each session. Attend the time most convenient for you!
If you prefer to watch the discussion but not interact, we will be livestreaming via our [YouTube Channel](#)

FOCUS: Update the community on Groundwater Sustainability Plan (GSP) development, with focused discussion on SUSTAINABILITY and how that is being defined specifically for the Turlock Subbasin. Our goal with this workshop series is to effectively share what we are doing and receive stakeholder input and concerns to inform Plan development.

#	TOPIC
1	<p>ZOOM Meeting Room Open to Test Technology (Lines open at 10:40 am and 5:10 pm)</p> <p><i>* Participants are encouraged to sign in early to test their connectivity, microphones and camera if they would like to interactively participate in the discussions.</i></p>
2	<p>Hellos! Goals + Agenda Review (5 minutes)</p>
3	<p>Groundwater Sustainability: That Concept Guiding GSP Development (40 minutes)</p> <ul style="list-style-type: none"> ▪ There are important terms related to sustainability that guide the development of Groundwater Sustainability Plans. In many cases, these are locally-defined, quantitative values. Amanda Peisch-Derby, Department of Water Resources (DWR), joins us to discuss: <ul style="list-style-type: none"> ○ Sustainability Goals ○ Sustainability Indicators ○ Undesirable Results ○ Minimum Thresholds ○ Measurable Objectives ○ Sustainable Management Criteria ▪ Michael Cooke, Chair of the West Turlock Subbasin GSA Technical Advisory Committee, shares the progress we've made in our Subbasin, and asks meeting participants to weigh in with insight and opinion on Sustainable Management Criteria.

4	<p>Proposition 218 Update (5 minutes)</p> <ul style="list-style-type: none"> Kevin Kauffman of the East Turlock Subbasin GSA Technical Advisory Committee will provide an update on the GSA's Prop 218 process.
5	<p>Results Are Coming In! (5 minutes)</p> <ul style="list-style-type: none"> A quick summation of the early results of our Stakeholder Survey to-date, and a reminder to participate at surveymonkeys.com/r/TurlockSGMA
6	<p>Moving Forward (5 minutes)</p> <ul style="list-style-type: none"> Communication check in with Stakeholders We want your comments (at any time!) Don't forget to take the survey Ways to stay informed & spread the word!
7	<p>Adjournment (presenters sticking around for Q&A)</p>
8	<p>Open Q&A Session (30 minutes)</p> <p><i>*All written questions will be collected, reviewed and used to inform future discussions and meetings.</i></p>
