

Groundwater Lunch Hour

Answering questions about implementation of the Sustainable Groundwater Management Act (SGMA) in the Turlock Subbasin

Join Turlock Subbasin groundwater managers for an open house-style, designated hour where you are welcome to “stop in” at any time to ask questions about the Turlock Subbasin Groundwater Sustainability Plan (GSP) or connect with us about ways to remain informed and engaged.

Friday, Nov. 13, 2020
from 12:30 to 1:30 p.m.
