

Groundwater Lunch Hour

Answering questions about implementation of the Sustainable Groundwater Management Act (SGMA) in the Turlock Subbasin

January 29, 2021
from 12:30 to 1:30 p.m.

Join Turlock Subbasin groundwater managers for our third lunchtime open house-style gathering. “Stop in” at any time during the hour to ask questions about the Turlock Subbasin Groundwater Sustainability Plan (GSP) or connect with us about ways to remain informed and engaged.
