

COMMUNITY GROUNDWATER WORKSHOP

Your input is needed.

Join local groundwater managers for the first in a series of public meetings to engage local stakeholders in the development of a Groundwater Sustainability Plan (GSP) for the Turlock Subbasin.

WEDNESDAY, APRIL 18, 2018

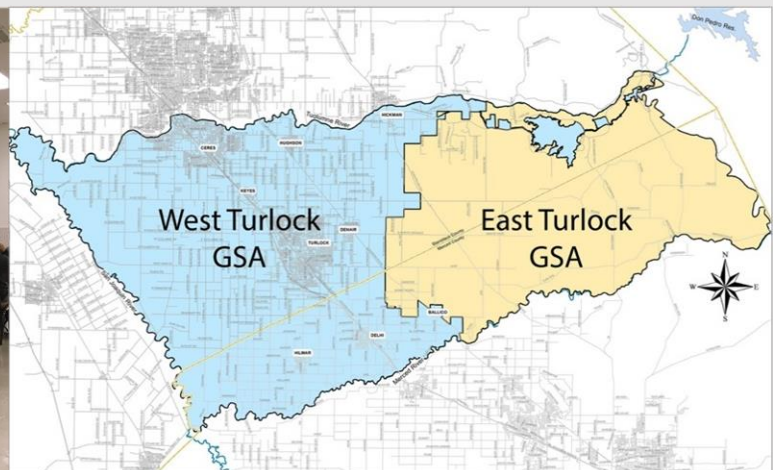

6 pm to 8 pm

Ceres Community Center

2701 4th Street, Ceres, CA 95307

- OBJECTIVES:**
- 1) Outline GSP development process.
 - 2) Identify GSP topics of most interest to stakeholders.

May 2017 workshop in Denair
