

GROUNDWATER OUTREACH WORKSHOP

Join Turlock Subbasin water managers as they explore tools and methods to engage/recruit local stakeholders throughout Groundwater Sustainability Plan (GSP) development.

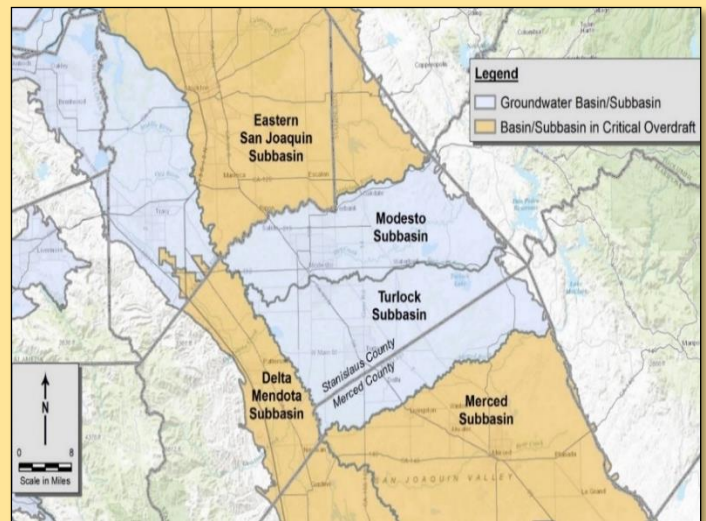

WEDNESDAY, JUNE 20, 2018

3 to 5 P.M.

Turlock Irrigation District, 333 E. Canal Dr. Turlock

MEETING FOCUS:

- Increasing stakeholder engagement in GSP development
- Expanding stakeholder outreach beyond current interested parties
- Discuss adjacent subbasin coordination
- Current/future activities, strategies and tools that will aid outreach
